

Oetiker is a successful, privately held Swiss group of global enterprises, which supply solutions for mechanical connecting solutions. Our high-quality products are sold all over world, mainly in the burgeoning automotive market, but also in other segments such as home appliances and medical technology. Steadily expanding with currently over 1800 employees in sites based around world, the Oetiker Group has ranked as one of the frontrunners in the industry for over 75 years.

The Manufacturing Associate role is to assemble automotive connectors working at a bench or on the shop floor.

## Manufacturing Associate, ONY Lancaster – 2<sup>nd</sup> Shift

### Your responsibilities
